Enrich the Trails

EDGERTON TRAILS PTO FUNDRAISER
THURSDAY OCT. 1 – FRIDAY OCT. 16, 2026

Put on your walking shoes and Enrich the Trails for our annual fundraising event! Our goal is to raise $23,000 by Friday, October 16th. With help from Edgerton Trails' families, friends, community members, and local businesses, we can Enrich our Trails and our school.

Where Does the Money Go?

When you give money to the Edgerton Trails Elementary School's PTO Fundraiser, you're not supporting just an event, you're directly investing in every single student in our school. Thanks to your generosity, we're able to:

- ✓ Fund student enrichment and celebrations that make learning exciting and memorable
- ✓ Provide teacher grants and appreciation to help our amazing staff bring creative ideas to life and feel valued while doing it
- ✓ Offer student assistance funds so every child can participate in field trips and other in-school activities that might otherwise require an extra cost
- ✓ Host a number of family events including Book Bingo, Fall Festival, VIP Event, and Spring Carnival

Every dollar stays right here at Edgerton Trails Elementary.

It makes a real impact on our students' education, experiences, and sense of community. When you give, you're helping our kids dream bigger, learn more, and shine brighter.

Thank you for making it possible!
